The small, flexible and personal ski school

**Kids area** - a specially secured area for kids with a small lift. This rope tow ski lift helps children to learn the safe use of a ski lift very quickly and safely. During course hours kids use the rope tow ski lift for free.  
**Wave slope, bobsled run, little ski jump**  
**Final race** with victory ceremony including certificate and medal.  
**Snowshoeing** including equipment.  
**Ski tours** in the mountains including equipment.
